<b>Nationwide and Multi-State Programs</b>	<b>85</b>	<b>57</b>	<b>16</b>	<b>69</b>	<b>81.2%</b>

\*On October 25, 2023, DPR updated its classification of certain homebuyer assistance programs. As a result, DPR's total count of homebuyer assistance programs was adjusted downward. This reflects a reporting methodology change, not a reduction in overall assistance availability. Last quarter's data was normalized using the new methodology before calculating quarter-over-quarter trends.
